

Activity Sheet: Chart of Responsibility

List people you feel were responsible for assisting in your abortion decision:

_____	_____
_____	_____
_____	_____
_____	_____

After you have listed the related individuals, divide up the circle below to reflect the percentage of each person's involvement. (For example, if you were 15 and your parents forced you to have your abortion, they may bear 80% of the responsibility). After you complete the chart, pray over each name, asking the Lord to help you forgive them for the part they played in your abortion experience.
