

## **Statement for Post-Abortion Recovery Class**

(Your organization) is not a medical clinic. This Post-Abortion Recovery Class uses a bible study format. Volunteers who have received training in crisis counseling staff our centers, but they do not have degrees in counseling, nor are they licensed by the state.

The counseling provided is not a substitute for professional counseling. We offer information, recovery classes, peer counseling and practical help.

All information is kept confidential.

I have read and fully understand the above as stated.
